ABOUT AUSTRALIAN CATHOLIC UNIVERSITY

Mission Statement: *Within the Catholic intellectual tradition and acting in Truth and Love, Australian Catholic University is committed to the pursuit of knowledge, the dignity of the human person and the common good.*

An ACU education builds on the Catholic understanding of faith and reason working together in pursuit of knowledge and promotion of human dignity and the common good.

An ACU education seeks to transform lives and communities. Students are challenged to look beyond the classroom, solve real-world problems, develop their own search for meaning and cultivate strong professional ethics. They are invited to stand up for people in need and causes that matter.

ACU is open to all. As is common with great Catholic institutions the world over, the university is inclusive and supportive of everyone, every day – regardless of their faith or tradition.

ACU is a young university making a serious impact. Ranked in the top two per cent of universities worldwide and in the top 10 Catholic universities, we're also a leader in employability with 94 per cent of our graduates employed. The university has seven campuses around Australia, a campus in Rome, Italy, and an online campus – ACU Online.

ACU has four faculties, and several research institutes and directorates. We believe our number one asset is our people. It's the character, enthusiasm and dedication of our staff that make this a university like no other. All our staff contribute to the achievement of our goals set out in ACU's Vision 2033 and aim to provide high-quality services with a strong focus on service excellence.

To be agents of change in the world, we all need to see life through the eyes of others. We believe that our role as a university is to inspire and equip people to make a difference – and that means cultivating their ability to act and think empathetically.

The structure to support this complex and national university consists of:

- Vice-Chancellor and President
- Provost and Deputy Vice-Chancellor (Academic)
- Chief Operating Officer and Deputy Vice-Chancellor

- Deputy Vice-Chancellor (Research and Enterprise)
- Deputy Vice-Chancellor (Education)
- Vice President and Director (Mission and Identity).

ABOUT THE FACULTY OF HEALTH SCIENCES

The Faculty of Health Sciences comprises three schools:

- Allied Health
- Behavioural and Health Sciences
- Nursing, Midwifery and Paramedicine

There are currently approximately 14,000 students (EFTSL) and 520 (FTE) staff in the faculty under the disciplines: occupational therapy, speech pathology, social work, exercise science, exercise physiology, nutrition science, biomedical science, nursing, midwifery, paramedicine, physiotherapy, psychology and public health. The Faculty is represented across seven ACU campuses.

The Faculty's current research priorities focus on Cardiovascular Disease and Metabolism, Health Services Research, Nutrition, Sports Performance and Rehabilitation, Psychology and Mental Health.

An expanding portfolio of postgraduate courses is also available in coursework and research. Many postgraduate courses within the Faculty have been developed in conjunction with industries in order to meet specific needs of the professions and industry. Some postgraduate units are offered in flexible learning mode by online study. All students have professional and clinical experience that is supervised by specially qualified practitioners. Catholic hospitals and other public, private and specialty organisations, as well as schools and the health and sports industry, are involved with preparing for promoting and offering this valued and essential experience.

The goals of the Faculty are closely linked to and emanate from the Mission of the University. The areas of achievement by the Faculty include the key areas of teaching and learning, research and scholarship, community engagement in addition to specific objectives regarding internationalisation, quality and resource management. It has well-established procedures for evaluating performance and ensuring quality which involve students and representatives of the various statutory registration authorities and professional organisations, as well as recent graduates and employers.

ABOUT SPEECH PATHOLOGY

The Bachelor of Speech Pathology Program at ACU is offered on three campuses: Melbourne, North Sydney and Brisbane. The program aims to prepare students to assess and diagnose difficulties with communication and swallowing, and enables them to provide intervention and support that is person-centred, culturally-sensitive and evidence-based. Consistent with the mission of ACU, the program is underpinned by values including a respect for the dignity of the human person, commitment to social justice, equity, advocacy, and a responsibility to the common good. The program comprises speech pathology theoretical units, inter-professional units, and professional practice units. Meritorious students may be eligible to undertake an embedded Honours program in third and fourth year. The full course details can be found at: https://courses.acu.edu.au/undergraduate/bachelor_of_speech_pathology

The program utilises engaging and innovative learning and teaching activities, which are planned and delivered by a national team. Staff have a strong commitment to research and/or the scholarship of learning and teaching, and regard a commitment to these activities as essential to the successful delivery of the program. The Bachelor of Speech Pathology has been fully accredited across all campuses by Speech Pathology Australia.

POSITION PURPOSE
