## The AEC

We run elections and referendums.

A federal election is one of the nation's largest, most complex and most scrutinised peacetime logistical events. It has tens of millions of moving parts and happens every three years or so on an unknown date. It takes a lot of detailed planning and this work contributes positively to Australian democracy, culminating in landmark events in the national consciousness.

In between elections there can be by-elections and/or referendums, there will be industrial elections and ballots, we maintain the electoral roll, we help draw electoral boundaries, we administer the financial disclosure scheme and much more.

It's complex, challenging and rewarding – and the Australian Electoral Commission (AEC) is the independent statutory authority established by the Australian Federal Government to perform this crucial work.

Our strategic focus of electoral integrity is achieved through our values of *Quality, Agility and Professionalism*. *These aren't just words to us – we live these values in order to continue to deliver trusted electoral event results for Australian voters.*
