Welcome to our School

Welcome to Haileybury Rendall School where every student matters every day and where our vision is to be the best school in Northern Australia. Haileybury Rendall School also stands proudly as a leading independent co-educational Tier One School in Darwin, Northern Territory.

Developing and maintaining a strong academic culture is a top priority and this goes hand in hand with an holistic education that supports the wellbeing of all students. Our teaching framework includes the highly successful Explicit Teaching Model in the primary years and the Victorian Certificate of Education (VCE) in the senior years, both of which help drive outstanding results. The strong ties between Haileybury Melbourne and Haileybury Rendall School also provide numerous opportunities for our community to take part in a broad and exciting range of activities.

We also live the mantra that every team member matters every day and firmly believe that our staff are our greatest asset. High expectations are maintained in all that we do.

Working with us

Haileybury Rendall School is proudly non-selective when it comes to the students who look to join our outstanding school. We believe in the potential of every child to achieve and contribute.

However, we are by contrast, very selective of staff who wish to work with us, whether they will be guiding our young learners or helping to keep the School operating efficiently as a member of our non-academic Professional staff team.

Those who join us are passionate about the delivery of innovative academic, co-curricular and pastoral programs that challenge and inspire our students and make a difference in their lives.

As a school we value the cultural diversity of all our staff and students. Staff are encouraged to contribute experience they may have of working with children from a culturally and/or linguistically diverse background. We are also proudly recognised as a Centre for Excellence in Indigenous Education.

Our vision and mission

As part of the Haileybury system of schools, we aim to be recognised as a great world school but, more locally, to be recognised as the best school in Northern Australia.

This leads to our mission to develop high-achieving students who are connected globally, to each other and to the communities in which they live and which they will serve. A Haileybury Rendall School education will focus on the complete development of the student and will be characterised by a commitment to academic excellence, student wellbeing, social justice, cultural competence, broad extra-curricular offerings and an international outlook.
