About Haileybury

Since 1892, when our doors first opened with five staff and 17 students in attendance, Haileybury has been a centre of continual development: learning, teaching and location have all undergone transformative change on our path to become the School we are today.

The School has enrolments exceeding 7,000 across its campuses and operations in Berwick, Brighton, Keysborough, Melbourne City, Haileybury Pangea, Darwin (Northern Territory) and across South East Asia in China, Vietnam, Timor-Leste, Vanuatu and Indonesia.

Haileybury has been endorsed as one of Australia's best schools with multiple awards from the Australian Education Awards, including Australian School of the Year, Primary School of the Year and Principal of the Year. In 2025 Haileybury was ranked by NewsCorp Media as the number one coeducational school in Australia. Based on national testing results Haileybury has also been ranked as the number one primary school in Victoria and the number two secondary school.

At Haileybury we use the motto that 'Every student matters every day' and this resonates through everything that we do, both in and out of the classroom.

Working with us

Haileybury is proudly non-selective when it comes to the students who look to join our outstanding school. We believe in the potential of every child to achieve and contribute.

However, we are by contrast, very selective of staff who wish to work with us, whether they will be guiding our young learners or helping to keep the School operating efficiently and successfully through our Corporate Services department.

Those who join us are passionate about the delivery of innovative academic, co-curricular and pastoral programs that challenge and inspire our students and make a difference in their lives.

As a school we value the linguistic and cultural diversity of our staff and students. Staff are encouraged to contribute experience they may have of working with children from a culturally and/or linguistically diverse background.

Our vision

To be recognised as a great world school.

Our mission

To deliver an exceptional educational experience that fosters the growth of each student through leading teaching and learning programs, a wide array of opportunities, within a culture of high expectations, empowering students to excel.

Our magenta principles

Everything that we do is centred around our Magenta principles, striving for and achieving more than expected. Our principles support and shape this in our daily work:

- Every student matters every day
- Every staff member matters every day
- Effective practices support sustainability
- One inclusive community

Role

An exciting opportunity is available to lead the Middle School Mathematics program at Australia's largest school.

The Head of Mathematics (Middle School) is responsible for the development of curriculum from Years 5-8 across all Haileybury's Melbourne operations, including Haileybury Pangea. The role requires ensuring a high standard of consistency across all Melbourne campuses, while maintaining a rigorous, future-focused program that promotes excellence in mathematical understanding and application.

The Head of Mathematics will work closely with their Deputy Heads of Department, alongside the Head of Teaching & Learning (Middle School), Junior and Senior School Heads of Mathematics, Heads of Middle School and Heads of Campus to ensure continuity, progression and clearly defined pathways in Mathematics from Prep through to VCE.

Haileybury seeks an outstanding educational leader who is passionate about Mathematics education, evidence-based pedagogy and achieving high levels of academic growth for all students.

Responsibilities

- The development of a curriculum that:
 - is compliant with the Australian Curriculum
 - reflects current educational thinking with a clear focus on explicit instruction and a knowledge rich curriculum
 - incorporates the use of learning technologies to enhance learning
 - meets the needs of all students and encourages the individual academic growth of every student so that they maximise their academic outcomes
 - employs research supported innovation
 - where appropriate, focusses on developing problem solving and higher order thinking skills
 - provides all students with scaffolded pathways into Senior School programs
- Ensures that the teaching is of the highest quality by:
 - leading the implementation of whole-school improvement strategies related to curriculum planning and delivery

- attracting outstanding teachers to the department
 - developing teachers through modelling, coaching and preparing, managing
 - leading a professional development program that meets the needs of the teachers and complies with the expectations of the school
 - critically reviewing research on best practice
 - rigorously promoting, supporting and sharing best practice
 - implementing teaching strategies that are known to improve student outcomes
 - providing quality feedback to staff that encourages growth
 - identifying performance management issues in staff and take responsibility to resolve the concerns in the first instance
 - working with Heads of Campus to induct excellent teachers into the department
- Ensures that the faculty teaching team:
 - works collaboratively to achieve the best outcomes for our students
 - shares in the development of resources and assessment tools including assignments, tests and examinations
 - moderate assessments to ensure equity across the campuses
 - uses data to inform practice
 - analyses student achievement and formative feedback to develop strategies to maximise learning and pedagogical practice
- Administration tasks including:
 - management of purchase orders and oversight of department budgets
 - detailed documentation of curriculum programs including providing resources for the department
 - align curriculum, standards, instruction and assessment to ensure appropriate coherence and sequencing
 - preparation of resource lists annually
 - oversight of data entry and reporting schedules
 - allocation of students to appropriate pathways where appropriate
 - excursion and incursion documentation via Consent2Go
 - providing a yearly analysis of data (including NAPLAN and ACER) and summary of recommendations to the Head of Teaching & Learning (Middle School) and School executive
 - liaising with School Digital Learning Leaders to prepare and maintain Canvas courses
 - building the capacity of and supporting the Deputy Heads of Mathematics (Years 5 & 6 and 7 & 8)

The Head of Campus is responsible to the Principal for all aspects of the conduct of that Campus. However, the area of responsibility of Head of Department clearly extends into the Campuses. In addition to the above, Heads of Department are responsible for:

- maintaining contact with and visiting Campuses. With the Head of Campus' knowledge, they should feel free to visit and work with teachers in their department
- drawing the attention of the Head of Teaching & Learning to any weakness in the teaching program within their department

Selection Criteria (if applicable)

- An outstanding classroom practitioner who can lead by example and model exceptional practice
- Demonstrated ability to lead high performing teams and to manage staff
- A passion for research and evidence about how students learn, curriculum development and pedagogical innovation

Commitment to child safety

Haileybury is a child safe organisation which welcomes all children, young people and their families. Haileybury is committed to the safety and wellbeing of all children, including those under the care and supervision of the school. The school recognises the importance of, and its responsibility for, ensuring a safe and supportive environment which respects the rights of children and fosters their enrichment and wellbeing.

Haileybury's approach to creating and maintaining a child safe environment is guided by the core belief that every student matters every day. The School's mission 'to deliver an exceptional educational experience that fosters the growth of each student through leading teaching and learning programs, a wide array of opportunities, within a culture of high expectations, empowering students to excel', which can only be achieved if its students are safe, feel safe and are empowered to participate in decisions which affect their lives.

We are committed to providing environments where our students are safe and feel safe, where their participation is valued, their views respected, and their voices are heard about decisions that affect their lives. Our child safe policies, processes and codes are inclusive of the needs of all children and students including Aboriginal students and their families.

Haileybury has zero tolerance for child abuse in any form and takes proactive steps to identify and manage any risks of harm to students in our school environments. When child safety or wellbeing concerns are raised or identified, we treat these seriously and respond promptly and thoroughly.

We promote respectful relationships between students and adults, and between students and their peers. These relationships are based on respect, honesty, kindness, trust and empathy.

Particular attention is given to the child safety needs of Aboriginal students, those from culturally and linguistically diverse backgrounds, international students, students with disabilities, those unable to live at home, children and young people who identify as lesbian, gay, bisexual, trans and gender diverse, intersex, queer or asexual (LGBTIQA+) and other students experiencing risk or vulnerability.

Haileybury's robust human resources, recruitment and vetting practices are strictly adhered to during the application and interviewing process. Applicants should be aware that we carry out Working with Children Check, police records and reference checks to ensure that we are recruiting the right people.
