Campus Nurse

About Haileybury

Since 1892, when our doors first opened with five staff and 17 students in attendance, Haileybury has been a centre of continual development: learning, teaching and location have all undergone transformative change on our path to become the School we are today.

The School has enrolments exceeding 7,000 across its campuses and operations in Berwick, Brighton, Keysborough, Melbourne City, Haileybury Pangea, Darwin (Northern Territory) and across South East Asia in China, Vietnam, Timor-Leste, Vanuatu and Indonesia.

Haileybury has been endorsed as one of Australia's best schools with multiple awards from the Australian Education Awards, including Australian School of the Year, Primary School of the Year and Principal of the Year. In 2025 Haileybury was ranked by NewsCorp Media as the number one coeducational school in Australia. Based on national testing results Haileybury has also been ranked as the number one primary school in Victoria and the number two secondary school.

At Haileybury we use the motto that 'Every student matters every day' and this resonates through everything that we do, both in and out of the classroom.

Working with us

Haileybury is proudly non-selective when it comes to the students who look to join our outstanding school. We believe in the potential of every child to achieve and contribute.

However, we are by contrast, very selective of staff who wish to work with us, whether they will be guiding our young learners or helping to keep the School operating efficiently and successfully through our Corporate Services department.

As a school we value the linguistic and cultural diversity of our staff and students. Staff are encouraged to contribute experience they may have of working with children from a culturally and/or linguistically diverse background.
